PEAK NETWORK PERFORMANCE

Our Services

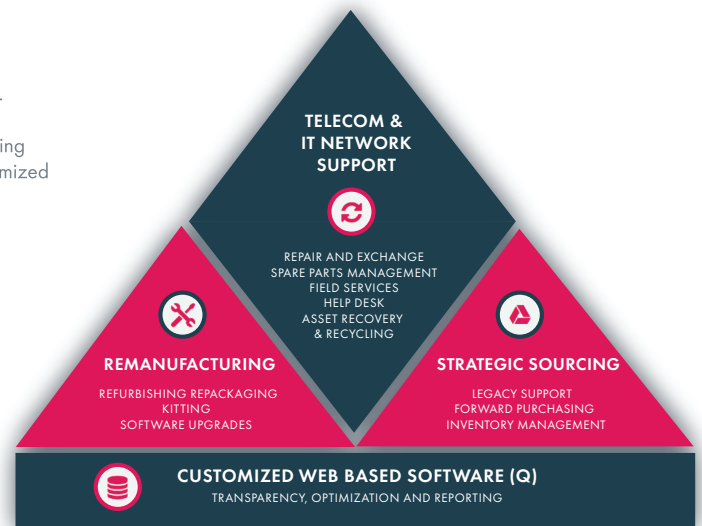

Zurich offers distinguished multi-vendor telecom and IT services at competitive prices.

At the foundation of our service offering is our customized reporting and online tracking ERP system we call "Q" for its ability to offer "Q"ueing transparency and to be customized to the uni"Q"ue needs of any client requirement.

Zurich services are designed to reduce both expenditures and your downtime while providing a great way to maximize your existing infrastructure investments.

Our Warranty

All equipment provided as purchase or repaired in Zurich's state of the art facilities is rigorously tested to meet the specifications of the manufacturer and to receive the Zurich Platinum Certificate. Zurich certification is an exclusive warranty ranging from 12 to 36 months with the option of immediate replacement and lifetime support.
